NOTE: Please fully charge the earphones prior to first use.

USING BLUETOOTH® AUDIO

PAIRING A DEVICE AND PLAYING AUDIO

1. Press and hold the **Main Control Button** for approximately seven seconds to power ON and begin pairing. LED lights will begin flashing blue. *When pairing remain within 1 metre of the earphones.*

2. Using the controls on your Bluetooth® device, select **BD-EARBT-1** in your Bluetooth® settings menu. If your device requires a password, enter **0000**. Refer to the manual of your device for specific instructions on pairing and connecting Bluetooth® devices.

3. When successfully paired, the LED lights will begin to flash slower. Audio played through the connected Bluetooth® device will now be heard through the earphones.

4. Use the controls on your connected device to select and begin playing audio. To play/pause audio, skip songs or adjust the volume use the remote control or your connected device.

ANSWER PHONE CALLS

1. To accept an incoming phone call, press the **Main Control Button**.

2. To end the call, press the **Main Control Button** once more.

NOTE: You can also use the controls on your connected mobile device.
